17. October 2011

Betr.: Letter of Invitation

Dear Yixiong Wang,

we would like to invite you for a scientific visit at the group 'Theoretical Meteorology' and the KlimaCampus research project 'CliSAP' for the period of November 14th. to 25th. We shall provide you - in kind - with computer access, a work place etc. as is common for scientists visiting the University.

We look forward to seeing you here!

Sincerely

(Edilbert Kirk)
